

Automated Call Permission- Parent/Guardian

The Powell County Schools uses an automated dialing system to contact parents/guardians via home phones, cell phones, and e-mail to inform you of important events, parent conferences, and activities that you and your child may want to participate in. In order to be included on the calls, we need your permission. Please fill out this form to indicate whether or not you wish to be included on informational calls from the Powell County Schools.

You may access the School Messenger Info Center app on your iPhone (or phone that uses Google Play) or computer to determine what types of calls, (Emergency, Non-Emergency, or Attendance), go to which numbers or e-mail. Search for the School Messenger Info Center app on your phone or go to <http://infocenter.schoolmessenger.com> to set up your preferences. We will post more information on Info Center on the Parent Link of the Powell County webpage at www.powell.kyschools.us. You must have an e-mail on file with the district to use this application.

If you would like to opt in to receiving texts from our school district, please text the word "YES" to 68453. You may also get a text message inviting you to receive texts shortly after we get your phone numbers entered into our student information system. You can also opt in by replying "YES" to this text.

As a parent or guardian of a student in the Powell County Schools, I give my permission for the Powell County Schools to make non-emergency calls, texts, or emails using automatic dialing equipment at the phone numbers and e-mail listed in the Infinite Campus database. I understand that in order to receive texts I will be asked to opt in to texting and I may choose not to do so. I am listing my current numbers on this permission form, but I also permit the Powell County Schools to call or text any numbers I may provide to the school district in the future if my phone number changes. I understand that I may change my mind at any time and may contact Sarah Wasson at 606-663-3300 or sarah.wasson@powell.kyschools.us, or any other person who is in charge of the automated dialing system in the future, to have my numbers removed from the automated dialing system. Once signed, this permission will remain in effect throughout my child's enrollment in the Powell County Schools.
