

Mr. Bowen's 8th Grade Math

Choice Board

Directions: Pick one of the options below to complete. When we return to school, I will collect the assignment and review it with the student. For each NTI day you will need to pick one square. Please do not do the same square multiple times. Thank you!

<p>Multiplication Worksheet Number 1</p>	<p>Make Mr. Bowen a 10 question multiplication quiz with an answer key</p>	<p>Multiplication Worksheet Number 3</p>
<p>Write a story telling me about how you use multiplication in everyday life.</p>	<p>Multiplication Worksheet Number 2</p>	<p>Make your very own multiplication square with the numbers between 1 and 7</p>
