**\*\*FYI-** For some reason Dixon brand pencils do NOT sharpen well. Dollar Store brand pencils do NOT sharpen well. Students struggle to get the lead to stay in the pencil, and again these two brands do not sharpen.

\*\*Students will need a backpack to carry materials to school and in transit home, but will NOT pack them while changing classes.

**\*\* ABSOLUTELY NO- Mechanical pencils----- MAJOR distraction in class!!!! These are expensive and if children are playing with them in class, they will be taken and rest assured that is what happens. Thank you in advance for NOT purchasing them.**

\*If it will be convenient for you to bring these items in during our open house you may do so.

The fifth grade team appreciates your support and we look forward to a wonderful school year. Have a wonderful summer break. ☺
