ARTICLE I PREAMBLE

This Agreement entered into by and between the Audubon Board of Education of the Borough of Audubon in the County of Camden and the State of New Jersey, hereafter called the “Board,” and the Audubon Administrators Association, hereafter called the “Association.”

ARTICLE II RECOGNITION

A. The Association recognizes the Board as the representative of the government of the State of New Jersey charged with the responsibility under the law of operating public schools in the Borough of Audubon.

B. In accordance with N.J.S.A. 34:13A-1 et. seq., the Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning grievances and terms and conditions of employment for Principals, Assistant Principals, the Supervisor of Special Services, or any other administrative position resulting from retitling and/or the realignment of duties currently discharged by this group employed by the Board, when these positions are offered as positions on the Administrative team. All terms and conditions of this contract, with the exception of salary, shall apply to all Administrators currently employed by the Board of Education regardless of their administrative position or assignment.

C. Further, it shall be understood by both parties that the term “Administrators” as used in this Agreement shall refer only to all those mentioned in B above.

ARTICLE III NEGOTIATION OF SUCCESSOR AGREEMENT

A. The parties agree to enter into collective negotiation for a successor Agreement in accordance with N.J.S.A. 34:13A-1 et. seq., in a good faith effort to reach agreement on all matters concerning the terms and conditions of Administrators’ employment. Such negotiations shall begin in accordance with the rules and regulations of the Public Employment Relations Commission in the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall be reduced to writing, signed by the Board and the Association, ratified by the Association and be adopted by the Board by a majority vote at a public meeting.

B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

C. The Board and the Association agree to work cooperatively to implement the Agreement herein set forth within all applicable laws of the State of New Jersey.
ARTICLE IV GRIEVANCE PROCEDURE

Definition

A "grievance" shall mean a complaint by an Administrator of the Audubon School System that there has been to him/her a personal loss because of a violation, misinterpretation or inequitable application of the specific provisions of this contract. A grievance, to be considered under this procedure, must be initiated by the aggrieved person within fifteen (15) calendar days of its occurrence.

Procedure

1. All meetings and hearings under this procedure shall be conducted in private and shall include only interested parties and/or their designated or selected representatives.

2. Any employee who has a grievance shall discuss it first with his/her supervisor in an attempt to resolve the matter informally at that level.

3. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he/she shall set forth his/her grievance in writing to his/her Superintendent specifying:
   a. the nature of the grievance, including specific clause alleged to be violated,
   b. the nature and the extent of the loss,
   c. the results of previous discussions,
   d. his/her dissatisfaction with decisions previously rendered.

4. The Superintendent shall communicate his/her decision to the employee in writing within ten (10) school days of receipt of the written grievance.

5. If the grievance is not resolved to the grievant’s satisfaction, he/she, no later than five (5) school days after receipt of the Superintendent’s decision, may request a review by the Board. The request shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance. The Board, at its option, may hold a hearing with the grievant within fifteen (15) calendar days of receipt of the grievance and render a decision in writing and forward copies thereof to the grievant and to the Association within twenty (20) calendar days after the hearing. If no hearing is granted, the Board will render a decision in writing to the grievant and to the Association within thirty (30) calendar days of the date of the receipt of the grievance.

6. If the employee is dissatisfied with the decision of the Board of Education, the Association may, on the employee’s behalf, request the appointment of an arbitrator, such request to be made known to the Superintendent no later than five (5) school days after the decision in writing of the Board of Education was made known to the employee or his/her representative.

Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If both parties are unable to agree upon an arbitrator or to obtain such a
commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission (PERC) by either party. The parties shall then be bound by the Rules and Procedures of the Public Employment Relations Commission (PERC) in the selection of an arbitrator.

The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/She can add nothing to, nor subtract anything from the agreement between the parties. The recommendations of the arbitrator will be binding on both parties. Only the Board and the aggrieved and his/her representative shall be given copies of the arbitrator’s report of findings and recommendation. This shall be accomplished within thirty (30) days of the completion of the arbitration hearings.

Costs

a. Each party will bear the total cost incurred by themselves.

b. The fees and reasonable expenses of the arbitrator are the only costs which will be shared by the two parties, and such costs will be shared equally.

c. Effort will be made to hold arbitration hearings at a convenient time and place for all interested parties. In the event a hearing is mutually scheduled during the regular work day, the grievant shall suffer no loss in pay or paid leave.

Right to Representation

7. Rights of Administrators to representation shall be as follows:

a. Any grievant may be represented at all stages of the grievance procedure by him/herself, or, at his/her option, by (a) representative(s) and/or an attorney selected and approved by the Association.

b. When a grievant is not represented by the Association in the processing of a grievance, the Association shall, at any level be notified that the grievance is in process, and have the right to be present and present its position in writing at all hearing sessions held concerning the grievance, and shall receive a copy of all decisions rendered.

c. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal with respect to his/her personal grievance.

Separate Grievance File

8. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
Meetings and Hearings

9. No meeting or hearing conducted under this procedure shall be public.

Procedure

10.  
a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

b. The time limit at any step may be extended by mutual agreement of the parties.

c. It is understood that Administrators shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules, regulations and policies of the Board until such grievance and any effect thereof shall have been fully determined.

ARTICLE V BOARD RIGHTS

A. The Board reserves to itself sole jurisdiction, authority and responsibility over matters of policy and retains the right, subject only to the limitations imposed by the language of this Agreement, and N.J.S.A. 34:13A-1 et. seq. (a) to direct employees of the school district; (b) to hire, promote, transfer, assign and retain employees in positions in the school district, and to suspend, demote, discharge, or take other disciplinary action against employees; (c) to relieve employees from duty because of lack of work or for other legitimate reasons; (d) to maintain efficiency of the school district operations entrusted to them; (e) to determine the methods, means and personnel by which such operations are to be conducted; and (f) to take whatever actions may be necessary to carry out the mission of the school district in situations of emergency.

B. Professional Meeting Attendance

1. Administrators may be entitled to attend, at Board expense and with the approval of the Superintendent, relevant professional meetings during the school year.

2. The Administrator shall request permission to attend professional meetings one (1) week in advance of the meeting.
ARTICLE XV COMPLAINT PROCEDURE

A. Any complaint regarding an Administrator made by any member of the Board, Superintendent, teacher, parent, student or other person which may influence an evaluation shall be brought to the attention of the Administrator in written form by the Superintendent. This written statement by the Superintendent shall contain the name of the complainant, the complaint, and be accompanied by a copy of the complaint in writing. Any complaint received concerning an Administrator by the Board or by the Superintendent must be presented to the Administrator within a ten (10) day period of the receipt of the complaint.

B. The Administrator shall have the right to respond, in writing, to any such complaint within five (5) workdays after receiving it in written form from the Superintendent. This written response shall be attached to, and become part of, the original complaint.

C. The Administrator shall have the right to be represented by the Association or legal counsel at any meeting or conferences regarding such a complaint.

ARTICLE XVI MATERNITY/CHILD REARING LEAVE

A. The Board may remove any pregnant Administrator from her duties on any one of the following bases:

1. Her work performance substantially declines from the period preceding pregnancy.

2. Her physical condition or capacity renders her incapable of performing her assigned duties, which shall be deemed to exist if:

   a. The pregnant Administrator fails to produce a physician’s certificate that she is medically able to continue working, or

   b. The Board’s physician concludes she is unable to continue working.

3. Any other just cause that is found to exist in N.J.S.A. Title 18A.

B. The Board shall grant a leave of absence for medical reasons associated with pregnancy and birth to pregnant Administrators on the same terms and conditions governing leaves of absence for other illnesses or medical disabilities, as set forth in N.J.S.A. Title 18A:30-1 et. seq.

C. Any tenured or non-tenured Administrator seeking such leave shall apply to the Board sixty (60) school days prior to the beginning of the leave. At the time of application, the employee shall specify in writing the date on which she wishes to commence leave and the date on which she wishes to return to work after birth. The Board may require an employee to produce a certificate from a physician in support of the requested leave dates. The physician’s certification is subject to agreement by the Board’s physician. Where medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board, except that the Board may change the requested dates upon finding that the grant of leave for the dates stipulated and medically
confirmed would substantially interfere with the administration of the school. Following the
grant of such leave to any Administrator, the commencement and termination dates thereof may be
further extended or reduced for medical reasons upon application by the Administrator to the
Board. Such extension or reduction shall be granted by the Board for an additional period of
reasonable time except that the Board may alter the requested dates upon finding that such
extension or reduction would substantially interfere with the administration of the school, and
provided that such date change is not medically contraindicated. The Board may require any
employee to produce a physician’s certificate in support of the requested change and is subject
to agreement by the Board’s physician.

The termination date of a Maternity Leave of Absence shall be September 1 or January 1 only.
Notification of intent to return from Maternity Leave, or resignation, shall be made in writing to
the Superintendent of Schools sixty (60) days prior to the scheduled termination of the leave of
absence. Administrators returning to employment in September shall give notice to the
Superintendent no later than April 15 prior thereto.

D. Upon return from a Maternity Leave of Absence, the Administrator shall be reinstated in her
same position or a similar position for which she is qualified.

E. The Board is under no compulsion to continue employment of a non-tenure Administrator
beyond the contracted period so long as the non-renewal of employment is not based upon a
condition of pregnancy or childbirth. The maternity leave period shall not be counted for tenure
purposes.

F. In any sub-section of Maternity Leave where the Administrator’s physician and the Board’s
physician disagree concerning the Administrator’s ability to continue or resume working, they
shall jointly agree upon a third physician who shall examine the Administrator. His conclusion
concerning the Administrator’s ability to continue or resume working shall be binding upon all
parties.

G. Salary - an Administrator who worked through the last school day prior to December 31 of the
preceeding school year shall, upon return from leave, be placed on the next level of the salary
guide. Effective salary shall be at the new salary scale.

H. Benefits - all benefits to which an Administrator was entitled at the time her leave of absence
commenced, including unused accumulated sick leave, shall be restored to her upon her return.
She shall be assigned to a position within her certification.

ARTICLE XVII INSTRUCTIONAL COUNCIL

A. If an Instructional Council is established, it shall meet not later than October 15. The
purpose of the Council shall be to strengthen the educational program through research,
evaluation and recommendations in all areas of instruction such as curriculum, textbook
selection, materials and supplies and student evaluation. The recommendations of the
Council shall be advisory only.
B. The Council, in addition to teaching staff members, shall include Administrators. The Administrators shall be represented by a maximum of three (3) Administrators, one from the elementary schools and one from the secondary schools selected by the Association, and one (1) Administrator selected by the Superintendent of Schools. The Administrative positions shall be considered within the scope of the Administrative job description.

C. The Council shall be authorized to establish subcommittees or ad hoc committees for specific projects.

D. The Council shall encourage the initiation of ideas and suggestions for projects by individual teachers, departments, grade levels, association committees, administrators, board members, students and parents.

ARTICLE XVIII NON-DISCRIMINATION

The Board and the Association agree that there shall be no discrimination, and that all practices, procedures and policies of the school system shall exemplify that there is no discrimination in the hiring, assignment, promotion, transfer or discipline of administrators, or in the application or administration of this Agreement on the basis of race, creed, color, national origin, ancestry, age, sex, affectional or sexual orientation, marital status, familial status, liability in the Armed Forces of the United States, atypical hereditary cellular, or blood trait of any individual, or non applicable disability.

ARTICLE XIX PROTECTION OF EMPLOYEE’S PROPERTY AND PERSON

A. Administrators shall report unsafe or hazardous conditions to the Superintendent. The administrator shall retain the right to file a report or complaint with the appropriate governmental agency responsible for investigating unsafe or hazardous workplace conditions.

B. If absence arises as a result of an injury while in the performance of his/her duties, the Administrator shall be entitled to full salary and other benefits for the period of such absence and shall not forfeit any sick leave, personal days or vacation time as covered by TITLE 18A:30-2.1 Workman’s Compensation Laws.

C. The Board shall give full support, to include legal assistance and reimbursement for the cost of damaged personal property for any injury or assault upon the Administrator while acting in the discharge of his/her duties, on a case by case basis.
ARTICLE XX RETIREMENT

A. Health Insurance

1. The Board shall, as permitted under Chapter 88, “Laws of New Jersey,” provide an Administrator who retires after having served the district for at least twenty (20) years and is over age 55, and is subject to carrier requirements, with a paid health care program until age 65.

This health care program will be the same as that granted to the professional teaching staff with the exception that the reimbursed coverage will be for the retired Administrator only.

2. The retired Administrator will be permitted to remain in the dental plan offered to the professional teaching staff. The retired Administrator shall pay the premiums for the retired Administrator and/or spouse who has served the district for at least twenty (20) years and is over age 55, and is subject to carrier requirements, until age 65.

ARTICLE XXI MISCELLANEOUS PROVISIONS

A. Appropriate building and district Administrators shall be consulted and given the opportunity to make recommendations prior to the appointment of all professional and nonprofessional personnel employed in the building.

B. Each Administrator shall be consulted in the original development of his job description and any amendments made subsequent thereto. Each Administrator shall be consulted when job descriptions are reviewed annually during the months of July and/or August.

C.

1. In positions covered by this Agreement, the Association shall be consulted and given the opportunity to respond thirty (30) days prior to any Board action which would result in a reduction in force; a transfer or change of work year from 12 months to 10 months; or any elimination of a position or change in position to a stipend position that would not be covered under the Administrators’ negotiated agreement. While such consultation and opportunity to respond is required, it remains the responsibility and authority of the Superintendent to recommend all personnel to the Board of Education.

2. Any tenured Administrator who is dismissed as a result of reduction in force shall be placed on a preferential hiring list as stated in 18A:28-12.

D. Representatives of the Association shall be consulted regarding the formulation of the school calendar prior to its being adopted by the Board of Education.

2. The Superintendent in consultation with the Association shall appoint a maximum of two (2) Administrators to serve on the district’s Instructional Council. These Administrators shall be permitted to participate fully in the activities and discussions of the Council.

F. All members of the Association who may be required to use their own automobiles in the performance of their duties shall be reimbursed at the current rate specified by the OMB mileage allowance. The Board shall cover all damages, losses, payment of deductible and increases of premium incurred by an Administrator arising out of the authorized use of his/her automobile in the performance of school duties. The exception would be in cases of gross negligence and where the Administrator was under the influence of drugs or alcohol.

G.

1. The Association may use school facilities and equipment, including computers, duplicating equipment, calculating machines and all types of audio-visual equipment when such equipment is not otherwise in use. All equipment shall be operated by competent personnel. The Association shall be responsible for any damage or repair to the equipment and pay for any supplies that are used.

2. The above privileges may be withdrawn at the discretion of the Superintendent, if abused.

H. The rights and privileges of the Association as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the Administrators as defined in the unit and to no other organizations.

I.

2. The purpose of this requested meeting shall be to discuss professional concerns of the Association.

J. The Board and the Association agree that each has the right by law, without restraint or coercion, to select its own representative for collective negotiation.

K. If any provision of this Agreement is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

L. When a new Administrator who will be a member of this bargaining unit is hired, or when an Administrator within this unit is moved to a new position within the unit, the Association will be consulted concerning salary and conditions of employment.
