THE WARRIOR WAY

The Winton Woods City School District is committed to helping our students achieve their highest potential! That begins with making sure that we maintain a safe and orderly environment.

**Be RESPECTFUL**

- Students are expected to treat all others (i.e. peers, staff members, community members) with respect and dignity at all times.

**Be RESPONSIBLE**

- Students are expected to be responsible for their actions at all times.

**Be SAFE**

- Students are expected to abide by all guidelines to ensure that a safe environment is maintained.

Our schools will work diligently to make sure that:

- students are well aware of behavior expectations
- expected behaviors are clearly defined
- meaningful relationships are built to nurture a supportive environment
- high academic and behavioral expectations are in place for all students.

To ensure that ALL students meet our expectations, we have supports that can be implemented to help our students succeed. These include (but are not limited to):

- Parent conferences
- Behavior interventions
- Referral to site-based therapist/agencies
- Behavior plans
- Schedule modifications
- Social Skills training
- Rewards

We encourage parents to be highly involved early in the process to help to maximize the success of their child. A strong partnership between school and home is a critical component to student success.
Steps Following Student Misbehavior

When the Principal finds that a student has committed an offense, the Principal or another school administrator will:

1. Investigate the incident, including meeting with the student and any others involved to allow them to explain the situation
2. Notify the family if a corrective strategy is used
3. Send a letter to the family if the corrective strategy is an assignment to an alternative program or location outside of the child’s normal classroom assignment

PREFACE

The items in this Code are applicable to all students when properly under the authority of school personnel during a school activity, function or event whether on property owned, rented or otherwise used or maintained by the Winton Woods City School District Board of Education or property owned, rented or maintained by another party. Additionally, the provisions of this Code shall apply to students if the prohibited act(s) takes place:

- while on properties immediately adjacent to school property
- while in the line of sight of school property
- on school transportation
- on the student’s way to or from school
- if the act otherwise affects the operation of the schools.

This Student Code of Conduct also applies to misconduct occurring off of property owned or controlled by the Winton Woods City School District Board of Education but is connected to activities or incidents that have occurred on property owned or controlled by the Winton Woods City School District Board of Education and misconduct by a student, regardless of location, directed at a district official or employee, or property of a district official or employee.

Behavior infractions have been broken into categories based on the severity of the offense.

Category I offenses are considered minor. These offenses are handled at the school personnel level.

Category II offenses are more severe. Staff personnel may choose corrective strategies for offenses that are considered in Category II based upon severity.

Category III offenses are severe offenses that are considered major level. All Category III offenses must be handled at the administrative level.

Definition of Terms for Category 1 Offenses*

In most instances, Category I infractions will be corrected by the teacher or supervising adult in the setting where the misbehavior occurs. If a pattern of these offenses persists, consultation to set up a corrective plan may be necessary, and students may be referred to an administrator. When there is a high incidence of Category I offenses in a specific setting, administrators will provide, or arrange for, consultation and support to teachers, students or parents/caregivers to assist with creating positive behavior in that setting.

Cheating / Plagiarism

Students are expected to do their own work. Students must not use, submit or attempt to obtain data or answers dishonestly, by deceit or by means other than those authorized by the teacher. Examples of acts of cheating/plagiarism include any appropriation, literary theft, falsification, counterfeiting, piracy, fraud or unsupervised possession of any federal-, state- or district-mandated tests.
Plagiarism includes, but is not limited to, copying word for word from references such as books, magazines, research materials or the Internet. This includes any violation of the Winton Woods City Schools’ Student Testing Code of Conduct, which may result in disciplinary action and an invalidation of test scores.

**Disobedience/Disrespect**
Students are expected to do what school adults tell them to do. School adults include administrators, teachers, Instructional Assistants (IAs), secretaries, security personnel, custodians, bus drivers, lunchroom workers, and school volunteers, etc. Students must not argue with adults. If students do not obey the instructions and/or directions a school adult gives them, the behavior will be considered disobedient or disrespectful.

**Disruptive Behavior**
Students are expected to follow school-wide behavioral expectations and abide by classroom rules, routines and procedures. Students must not interrupt the learning of others or behave in a manner that causes disruption to the school environment. If a teacher or other school adult is prevented from starting an activity or lesson, or has to stop what he or she is doing to try to stop the student’s behavior, the behavior is considered disruptive. For example, if a student causes a disruption in the classroom by talking, making noises, throwing objects, play fighting, horseplay, or otherwise distracting one or more classmates, the student is engaging in disruptive behavior.

**Electronic Communication Devices**
(A school’s Positive School Culture Committee may choose to develop a more specific plan related to electronic devices.)
Electronic communication devices must be turned off during school hours. Electronic devices may be brought to school only in accordance with the school’s policy.

Winton Woods City School District

WHEREAS, THE Winton Woods City School District Board of Education desires students have learning opportunities even when schools are closed for any of the reasons specified in Section 3313.482 of the Ohio Revised Code; and

WHEREAS, Section 3313.482 authorizes a board of education to file annual plans with the Ohio Department of Education by August 1 of each year to provide learning opportunities for students in lieu of attendance on such days of closure;

NOW THEREFORE BE IT RESOLVED that Winton Woods City School District Board of Education hereby approves the following plan and authorizes its filing with the Ohio Department of Education.

PLAN FOR MAKEUP OF EXCESS HOURS ABOVE THE MINIMUM REQUIRED HOURS

Pursuant to Ohio Revised Code Section 3313.482, the Winton Woods City School District Board of Education hereby authorizes the following plan to allow students of the district to access and complete classroom lessons in order to fulfill up to a maximum of the number of hours that are the equivalent of three school days because of the closing of schools for any of the reasons specified in Section 3313.482.

1. This plan is submitted, pursuant to approval of the Board of Education on July 24, 2017. This plan includes the written consent of the teachers’ employee representative as designated under division (B) of Section 4117.04. Such consent is on file in the official file of the board of education and is hereby incorporated into this plan as if specifically rewritten.

3. No later than November 1, each classroom teacher shall develop a sufficient number of lessons, “blizzard bags,” for each course taught by that teacher with such lessons requiring, in the judgment of the teacher, an amount of time equal to or greater than the amount of instructional time the student would receive for three school days in such teacher’s class.
4. The teacher shall designate the order in which the lessons are to be posted on the district’s web portal or web site.

5. Teachers will update or replace such lessons as necessary throughout the school year based on the instructional progress of students.

6. As soon as practical after an announced school closure authorized under Section 3313.482, staff members designated by the appropriate administrator shall make the designated lessons available on the district’s portal or site. Each lesson shall be posted for each course that was scheduled to meet on the day of the school closing.

7. Each student enrolled in a course for which a lesson is posted shall be granted a two week period from the date of posting to complete the lesson. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided.

8. Students without access to a computer shall be permitted to complete posted lessons at school after the reopening of school. Students utilizing this option will be granted two weeks from the date of reopening to complete such lessons. If the student does not complete the lesson within this time period, the student will receive an incomplete or failing grade unless a reason sufficient to the teacher is provided. The district will provide access to district computers before, during, or after the school day (provided the equipment is available and accessible at those times) or may provide a substantially similar paper lesson in order for students to complete the assignments.

In witness thereof, we hereby affix our signatures on this ___ day of ______________________, 2017.
